Limited Review Report

Review Report to The Board of Directors of SRM Energy Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of SRM ENERGY LIMITED (the 'Company') for the quarter ended as on 30th June, 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without Qualifying our Opinion we draw attention to:

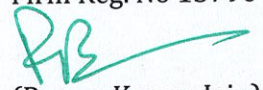

The standalone financial statements of the Company having been prepared on a Going Concern basis, the Company's net worth has been significantly reduced and it has been incurring cash losses and the promoters/directors/subsidiary have infused funds by way of unsecured loan and are committed to provide necessary funding to meet the liabilities and future running expenses of the Company. Further, pursuant to approval obtained from shareholders to sale/transfer, assign, deliver or otherwise dispose off the Land for the Power plant admeasuring 215.14 acres currently in the name of its wholly owned subsidiary, the subsidiary company has sold its land admeasuring 127.30 acres for Rs. 338.78 Lakhs till 30.06.2021 and the sale proceeds as received is being used to partially settle the pending loan and also to meet the Stautory, Administrative and legal expenses of the company and WOS. The Subsidiary company incurred a loss of Rs. 338.52 Lakhs on sale of land till 30.06.2021. Till now approx. 41% of the land are unsold. Considering the aforesaid facts the accounts are prepared under going concern basis.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Till now approx. 41% of the land are unsold. Considering the aforesaid facts the accounts are prepared under going concern basis.
