Limited Review Report

Review Report to The Board of Directors of SRM Energy Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of SRM ENERGY LIMITED (the 'Company') for the quarter ended 30th June, 2020. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without Qualifying our Opinion we draw attention to:

The standalone financial statements of the Company having been prepared on a Going Concern basis, the Company's networth has been significantly reduced and it has been incurring cash losses and the promoters have infused funds by way of unsecured loan and are committed to provide necessary funding to meet the liabilities and future running expenses of the Company. Further, pursuant to approval obtained from shareholders to sale/transfer, assign, deliver or otherwise dispose off the Land for the Power plant admeasuring 215.14 acres currently in the name of its wholly owned subsidiary, the subsidiary company has sold its land admeasuring 97.68 acres for Rs. 293.02 Lacs during the previous financial year and the sale proceeds as received is being used to partially settle the pending loan. The Subsidiary company incurred a loss of Rs. 226.15 Lacs during the previous financial year on sale of land. Till now approx. 55% of the land are unsold. Considering the aforesaid facts the accounts are prepared under going concern basis.
